

# SIX REASONS WHY **ANALYTICS** WOULD BE A FANTASTIC ADDITION TO YOUR SCHOOL!

## 1) BESPOKE GRADING - KS3/4

Analyse your data your way – Analytics can cope with Mastery, 9-1, A\*-G, sub-grades or something completely different!

## 2) DFE RULES INCLUDED

We automatically update Analytics with any new measures as soon as possible after the DfE release them.

## 3) SUPPORT TEAM & HELP

Our dedicated online support team are on hand to resolve any technical issues or queries quickly. We also have regionally based consultants who are all former school data managers.

## 4) ENGAGE STAFF

Our clear and concise user-friendly reports allow staff to access what they need in just a few clicks from any internet-enabled device.

## 5) SERVICE UPDATES

Enhancements and new functionality included free of charge – no surprise additional costs! Your fee is fixed for the entirety of the agreement.

## 6) A COMPLETE PACKAGE

Analytics is not just a comprehensive analysis tool but a complete experience. Users can attend DataMeets, Coffee Mornings, Training Days, Webinars and much more!

“SISRA Analytics has made our ability to track, monitor and intervene with students significantly easier and faster than ever before. Staff are able to have ownership of the data for their own groups, and take action more quickly, while Senior Leaders have robust and comprehensive discussions with subject leaders on a regular basis.”

## ANALYSE YOUR SCHOOL DATA EASILY

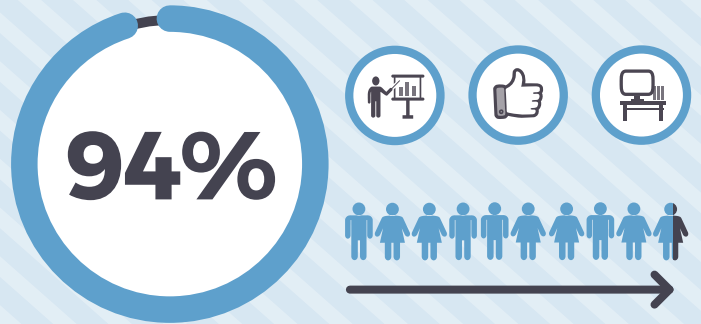

### ATTAINMENT 8 DATA COLLABORATION

Developed with **Duncan Baldwin**, Deputy Director of Policy at **ASCL**

- Launched in summer 2017.
- Analytics schools could opt in to a collective programme to gather anonymised A8 data.
- Our exciting initiative allowed us to provide A8 estimates using anonymised data from nearly 1200 schools to customers 38 days before the DfE!

### REDUCE WORKLOAD

94% of customers said that Analytics helps to reduce their workload
