“The ease with which everything now flows is brilliant. The publishing of results is almost instantaneous and the analysis that SISRA allows is second to none”

ANALYSE

- › **Accessible** | Available 24/7 from any internet enabled device including mobile phones
- › **Flexible** | Bespoke grading from KS3 & KS4 including unapproved qualifications
- › **Compatible** | Quick & easy uploads from any MIS

COLLABORATE

- › **Compare** | compare your results against 1600 other schools at headline & qualification level including gender, disadvantaged & SEN
- › **Available** | available the day after results day
- › **Anonymous** | All data is anonymised so you don't need to be concerned about GDPR

REDUCE WORKLOAD

- › **Instant** | No more writing formula & crunching numbers as we do this for you!
- › **Environment** | No need to print as the reports are interactive & intuitive
- › **Impact** | Spend more time working with students rather than analysing data
